

# **DUES Payments Are DUE!**

The dues invoices for 2008 were recently sent out via email. If you have not received your invoice or have questions about your invoice, please contact Fred Ledbetter at 757-609-4210 or e-mail at [fred\\_ledbetter@lifenethealth.org](mailto:fred_ledbetter@lifenethealth.org).

NAPM-SEVA is responsible for collecting everyone's dues payments and forwarding that information to ISM. Failure to pay these dues will result in being dropped from the ISM membership list. If that happens, there will be additional reinstatement fees that must be paid to rejoin. Please provide payment for your dues immediately to prevent a lapse in ISM membership.

Also note that anyone paying by credit will see the payment being processed by ISM in Arizona. This process usually takes from 30-90 days to show up on statements. Make sure that you authorize this payment once it hits your statement.
